

## **GUIDELINES FOR THE PREPARATION OF NOMINATIONS FOR DOCTORAL RESEARCH FELLOWSHIPS**

### **Doctoral Research Fellowships -- Stipend and Tenure of Awards**

The Doctoral Research Fellowship will receive a monthly stipend. Fellowship stipends will be awarded for two semesters and one summer session, a total of eleven (11) months (summer intersession May 16-June 15 excluded). Students receiving an offer will begin the fellowship award in the fall semester.

U.S. citizens, permanent residents/immigrants, and international students may apply.

Fellowship recipients will be assigned a ten-hour per week research assignment that will provide professional development opportunities for the student and be of value to the program. The research assignment will be consistent with the student's educational objectives. The Program Chair will determine the research assignment and monitor the student's progress.

A fellowship covers full tuition (nine hours maximum in summer) and provides a monthly stipend.

Fellowship recipients are required to register for a minimum of nine (9) graduate credit hours for fall and spring semesters and three (3) graduate credit hours for summer. Please note that 601 or audit courses do not count toward the registration requirement for fellows.

Fellowship recipients may not accept employment inside or outside of the University.

During special recruitment and graduate enhancement events held at SIU, the Graduate School will solicit the attendance of the Fellows to participate in seminars, orientation, and the Assembly of Fellows programs. The Fellows will also be expected to present at internal research or create events.

Note: The Doctoral Fellowship is considered as a recruitment/retention tool, and it is not to be given to students who are in the final stages of their degree.

### **Tax Information**

Fellowship stipends are paid through the university's payroll system which requires income taxes to be withheld. Fellows will fill out the Employee's W-4 Withholding Allowance Certificate form (W-4 form) as part of the research fellowship award packet. International students on temporary visas should contact the International Tax Office, Woody Hall, or phone for an appointment at (618) 453-5275. Information on taxation of fellowship awards can be found in [IRS Publication 970: Tax Benefits for Education](#) (PDF).
