4. There is **NO** August commencement ceremony, but your degree can be conferred for the Summer Semester. August candidates should indicate which ceremony they wish to attend (if any) on the application form. (See #5 below).
5. **Master Degree Candidates (all except MFA):** Completing their Master's degree requirements in August who are within six hours of meeting all academic requirements may petition to participate in the May graduation ceremony. Students should contact their program for approval.

6. Candidates who do not meet graduation requirements will automatically be rolled to the next graduation term (May-to-August, August-to-December, December-to-May) with no additional fee, only one time per graduation application. Candidates who fail to meet the degree requirements by the deadline for the second graduation term will be removed from the pending graduation list. It will then be the student's responsibility to submit a new Graduation Application by the deadline for the term in which they plan to graduate. The new application will require another application fee.
